Thank you for your past and ongoing support of local students through programs at Lewisville High School. I am writing to present you with the opportunity to lend your support to the state-champion theater program at LHS and its fall musical production of Rodgers & Hammerstein’s *Cinderella*.

This classic Broadway version of Cinderella played to sold-out crowds earlier this year in the Dallas Summer Musicals at Fair Park and at the Bass Performance Hall in Fort Worth. Very different from the animated Disney version, the show features such great songs as “My Own Little Corner” and “Ten Minutes Ago I Met You.”

All three performances at LHS will include live symphony composed of band and orchestra students from the school.

Simply put, our theater and music students will not be able to put on this beautiful and popular production without financial help from the community. Community fund-raisers are planned, but time is short before the first curtain lifts at the 1,200-seat LHS Stuver Auditorium on Nov. 5.

There are multiple levels of sponsorship available, all of which would give your business recognition in the show program that will be read and kept by thousands of attendees. There also are opportunities for an on-site presence, and even for recognition from the stage prior to the show.

Best of all, your participation would help support the hard work and developing talent of dozens of Lewisville High School performing arts students as they share their gifts and energy with enthusiastic audiences. Plus, your name would be connected to a Lewisville High School state champion – The LHS Theatre Company won the UIL Class 6A One-Act Play state championship in May, the first such title in school history.

I hope you will review the sponsor opportunities that are available and consider lending your support to this production and the outstanding students who are part of it. If you are unable to be a sponsor at this time, there also are opportunities to purchase advertising in the show program without the added sponsor benefits.

Thank you for your time and your consideration. Someone from the FAME booster club will be calling shortly to answer any questions you might have and to arrange a face-to-face meeting if desired.

We hope to see you in the audience for *Cinderella* this fall, and look forward to seeing your business recognized for its generous support of Lewisville High School performing arts.

Sincerely,

Wendy Cloud

LEWISVILLE HIGH SCHOOL THEATRE
STATE CHAMPIONS
LHS to compete for one-act play state title

Lewisville High School students to compete in one-act play state championship.

Play since 1991.

"Advancing to the state finals is a very exciting experience, and I am so excited to get to share the experience with such an amazing group of students and teachers," said Brad Durio, in his first year as head theater director at LHS. "I will never forget the looks on the students' faces when it was announced that they would be advancing to state. It will be a moment I remember forever."

UIL started holding the one-act play championship in 1927. During a one-act play competition, student theater companies have seven minutes to place technical equipment and set/props, 40 minutes to perform, and seven minutes to strike the set. Exceeding those times disqualifies the company from judging.

Lewisville's contest entry features scenes from "The African Company Presents Richard III" by playwright Carlyle Brown. It is a dramatic retelling of a little-known event in 1821 in New York City – 40 years before the end of slavery in the U.S. and 50 years before black Americans earned the right to vote. The first black theatrical company in the country, the African Company of New York, was putting on plays in a downtown Manhattan theater to mixed-race audiences, but faced significant obstacles and even violent opposition.

The LHS cast features (in order of appearance) Tallon Cote (Stephen Price), Adrienne Lee (Sarah), Desiree Rubio (Ann Johnson), Joshua Wallace (James Hewlett), Julian Johnson (Papa Shakespeare), Andreon Watson (William Henry Brown), Nate Courtney (The Constable-Man), and ensemble members McKenzie Cloud, Destinee Gines, Mae Adelia Reiland and Philip Robinson.

Cast alternates are Nicole Renteria and Rachel Millaway. Technical crew members are Keegan Brown, Marily Gonzalez, Kalee Grimsley, Macy Kunke and Nicole Smalls.

Faculty directors are Durio, Laura McNary, Wendi Brozek and Wendy Barrett.

In addition to advancing as a company at all five previous competitions, Lewisville has received multiple acting awards for individual cast members including Best Actor for Joshua Wallace (district and area) and Julian Johnson (bi-district); and Best Actress for Adrienne Lee (region) and Desiree Rubio (district).

Local audiences will have an opportunity Monday to watch the state-qualifying LHS production, along with the Class 5A state-qualifying production of "The Lost Boy" from The Colony High School. The performances will be held at LHS Stuver Auditorium, 1998 W. Main St. A reception will start at 6 p.m., followed by "The Lost Boy" at 7 p.m. and "The African Company Presents Richard III" to follow. Tickets are $5 and can be purchased at the door.
LHS wins One-Act Play State Title

Lewisville High School won its first One-Act Play state championship on May 28, placing first among eight schools that reached the University Interscholastic League Class 6A finals held in Austin on the campus of The University of Texas.

In addition to winning the overall championship as a company, Lewisville garnered four individual acting awards. Senior Joshua Wallace was named Best Actor for the third time this spring, and also received the prestigious Samuel French Award as the top overall performer in the competition. Senior Adrienne Lee was named to the All-Star Cast, and senior Julian Johnson and junior Desiree Rubio were named to the Honorable Mention All-Star Cast.

"This experience has been incredible," said Brad Durio, in his first year as head theater director at LHS and his fifth time overall to take a team to the state competition. "These students went to Austin to tell a beautiful story and did just that. The performances were honest and true. This company will forever hold a special place in my heart."

The LHS company advanced through five qualifying competitions since March to reach the state finals, including the Region I contest in Arlington in late April. It marked the first time Lewisville had reached the state level in One-Act Play since 1991.

**The African Company Presents Richard III**

Dear Colleagues,

I am writing to congratulate you all for advancing to the One-Act Play state championship and especially to Joshua, Julian, Adrienne and Desirae for your acting awards and Andreon for playing my favorite characters. You are part of a long line of extraordinary actors who have been playing these roles since its premier at Penumbra Theatre Company in 1987. Ann with her fierce longing, Sarah with a nurturing kindness, James with his brash ambition, Billy Brown with his righteous sense of justice and Papa Shakespeare with his wisdom of the ages. You along with all the others have kept these characters alive over the course of the last 28 years and have resurrected their real counterparts and have given them life in our contemporary world. All of you have taken on these roles to show the world what you can do, to inspire, educated and give perspective to this sometimes troubling world. These characters for quite some time now are no longer mine, but belong to you. I am humbled and gratified that you would take them into your being.

I wish you all the best of luck on May 28. Break a leg, break all the legs. Think of me as a ghost in the wings as my thoughts will be with you on that day.

With sincere appreciation,

*Carlyle Brown*
