***Jobs are subject to change based on show needs

Expectations for Crew:

- Be at all required rehearsals. (in the event of a conflict email mcnaryl@lisd.net for approval)
- Signed Production Contract (under Student info of Addam's Family on lewisvilletheatre.com)
- \$10 production fee (includes show shirt)
- Wear all black during dress rehearsal and all performances
- Be respectful of all directors, crew heads, stage managers and other student actors and technicians.
- Join team app for communication (your parents can do this also) and join Musical access group
- For students not in an advanced tech theatre class: you are asked to work on the show outside of the school day for 2 hours (minimum) prior to the show. This can be during any rehearsal or Saturday Work day on the Musical calendar.
- After each rehearsal and performance we will meet in the auditorium before dismissing as a group. We have to clean up and check in all items before leaving. No one is allowed to leave until all areas are cleared by directors. Failure to wait until dismissed by directors can result in immediate dismissal. Some of these will be LATE nights, but we will get you out as soon as everything has been completed. Note: Pitching in to help other areas get finished helps us all get done earlier! Always see if there is something to do to help someone else.

*Much of this time is prep time before the band arrives at 6pm to run the show. Various different jobs have lots of down time throughout the evening that we encourage students to use to complete homework.

**Show starts 2 hours after call time but students are required to be here by Call time ready to work, not bringing in food to eat at that time. Students will be dismissed as soon as all items are checked in and areas are cleaned. This is typically 30-45 minutes after the show is over, but depends on how quickly students finish getting everything done. We will dismiss AS SOON as everything is done.
