

## **NYC Trip 2019 UPDATE!!!**

### **Parents and Students,**

I hope everyone is having a great start to their summer break!!! I wanted to reach out to everyone with some quick reminders about our upcoming trip to NYC.

Remember, this is SCHOOL SPONSORED TRIP which means the LISD, LHS, and Lewisville Theatre Code of Conduct and Expectations apply. This also includes dress code and hair color. Parents, please double check that only school appropriate clothes are packed. Our chaperones will have students change if they are not dressed appropriately.

You do not need to check in online for your flight. The touring company will check everyone in 24 hours before our flight. We are flying Southwest, so the seats are not assigned. I have an update from the touring group about checking in at the airport:

- Travelers 18 or older must have a State issued ID.
- Travelers 14-17 years old must use any photo id such as a school id, driver's license, or state ID
- Your first checked bag will be free each way and must weigh less than 50 lbs. and be smaller than 62 linear inches or you will be charged an oversize baggage fee between \$50-\$100 each way.
- Everyone will need to use a credit or debit card to pay for the luggage if necessary.
- You can bring up to TWO carry-on luggage pieces for free. If you have any liquid in your carry-on, it must be less than 3oz and in a separate plastic bag.
- You are responsible to get yourselves to Dallas Love Field Airport on time.
- Parents: I will be there to make sure we all go to check in together. Please do not drop your child off at the curb and leave without getting their bags checked and passed through security.

Students are responsible for their own tickets for the Sunday Matinee show. The Chaperones will decide where they are going, and the students will need to choose which chaperone that they will be accompanying. Students will not be allowed to go to a show on their own without a chaperone.

I have also uploaded the most updated itinerary that has come through to the website. This has the hotel information and flight numbers. As we get closer, I will send out another notification with all of the director contacts and emergency contacts that you will need to get hold of us. Please fill out the Contact Google form on the website so I can make a master contact sheet for the directors.
